GivingTuesday is a chance to make a big impact on our communities — including for young audiences here at the National Arts Centre.

Young people are the future of the arts, and opening doors for them today ensures that music, theatre and dance will thrive tomorrow. But for many young people, seeing live performances can feel out of reach. **That's where you come in.**

DONATE TODAY

The Under30 ticket program helps thousands of young people see world-class shows at the National Arts Centre for just $15 — and it's only possible thanks to support from donors like you.

For Giving Tuesday, donate to support the Under30 program. Your **donation will be doubled** thanks to a generous $10,000 matching gift from the Turnbull Family Community Building Foundation — but only for today!

Sébastien,18, has had many meaningful experiences with his friends at the NAC thanks to Under30 tickets. He says:

"When you make tickets more affordable, you're opening doors to the arts. You're helping young people like me fall in love with theatre, music, and dance."

DONATE TODAY – 2x MATCH

By donating to the Under30 ticket program, you'll give young people like Sébastien endless opportunities to deepen their love of live performance, discover new artforms, and grow our vibrant, multigenerational community of art lovers.

Thank you for joining this global generosity movement !
